

# Track and Field 2020-2021

Your time, support, and donations are much appreciated. Thank you!

It was a different kind of season. We started in March and ended in June. Athletes practiced in cohorts of ten. The Snack Stand was not operational. For a second year we did not have Mustang Relays or the Mini Mustang Meet. But we are grateful that our athletes had the opportunity to be a team, to practice, and compete.

- Our dinner fundraisers raised \$545.11
- Spirit gear orders made \$598.65

## ***With your generous Fair Share donations, we accomplished the following:***

- Sixteen stipends for coaches during the off season (November thru March)
- Coaches stipends for fourteen (14) coaches, assistant coaches and helpers during Track & Field season
- Purchased equipment (hip numbers, spikes, and poles)
- Purchased plug ins for the LED scoreboard
- Paid for the Athletic Net app for the home meets
- Purchased varsity letters, Wall of Records nameplates, and record breaker plaques
- Paid for entry fees for four (4) invitationals
- Paid for CPR training for the assistant coaches
- Paid for Live Scan background service for our new coaches
- Celebrated our seniors on Senior Recognition Day
